

Dear Parent/Guardian,

Winter is just around the corner! As the days get colder, please make sure your child is dressed to be outside. Each week, groups will have opportunities to participate in outdoor activities, including Ranch Days.

Students will need to wear pants, long sleeves and close-toed shoes or boots during these outings. Please send clothes that can get dirty. Your child should also pack a warm coat, warm socks, gloves and a hat.

If you have any questions or concerns, please don't hesitate to contact your child's case manager. We look forward to spending time outdoors with your child!

Sincerely,

Coulee Connections Staff

What to Wear:
