

Dear Families,

As the cold weather season begins, please keep the following points in mind when sending your child to school.

- Students should bring a light weight jacket or sweater to wear in class in case they get cold, especially if they are wearing short sleeves.
- We go outside when we head to the ranch or go on local outings, so students should dress accordingly, including a jacket, hat, gloves/mittens and boots/shoes.
- We have lots of lost and found items. Please make sure all of your child's winter wear has his/her name on the inside.

Thank you!
